## Notice to Applicants taking the 2005 Delaware Bar Examination:

In order to be admitted to practice in Delaware, all persons who pass the 2005 Delaware Bar Examination will be required to attend a two-day continuing legal education program on **October 27-28, 2005 at the Widener University School of Law**. This two-day program will replace the Basic Legal Skills/Fundamentals Requirement set forth in Rule 4(B) of the Delaware Rules for Continuing Legal Education. The Commission on Continuing Legal Education is in the process of drafting amended rules that will address this new program requirement, and also is in the process of preparing the agenda for the two-day program. More information will be available on this program within the next few months. Please plan accordingly -- attendance at the two-day program is ***mandatory*** for attorneys who pass the bar examination in 2005.

Please contact the Commission on Continuing Legal Education with questions at (302) 577-7040.
